

Dana Point Historical Society Scholarships

The Dana Point Historical Society will be awarding two \$1000 scholarships honoring prominent women in the history of our community. Doris I Walker was a historian and the author of many books about local history as well as a founding member of the Dana Point Historical Society. Lucy Chavarrias-Saunderson was the matriarch of the El Patio Restaurant family. She went into the restaurant business in 1937. El Patio opened in 1951 and was the longest running business in the City.

All graduating High School students who live in the City of Dana Point (92629 or 92624) and are planning to attend community college, university or trade school in the following year are eligible. Although scholastic achievement is considered, the award is based primarily on need, an interest in history and participation in community service.

The deadline for submitting the Application is April 23, 2021. It can be submitted to the Guidance Office of the High School or emailed to heidihhyde@gmail.com by that date. Please include a transcript and one to three letters of recommendation.
