President's Message

Jonathan Morgan Jenkins set the mood for our "Time Capsule Memories" program with the song *Dana's Voyage* at our October 26th meeting. The ballad's lyrics were written by his father, Jim, and originally sung by his mother, Mary, at the 1966 Harbor Rock Placing Ceremony. Jonathan's personal family memories and photographs of that day inspired him to document Dana Point Harbor's 50th Anniversary. He explained the process involved in creating his documentary "The Rock, The Time Capsule, The Harbor" and the challenge of editing hours of video into a 30-minute film. Orange County assistant archivist Chris Jepsen shared the process of opening the time capsule and the treatment of the contents, which included handling mildewed papers, restoring dampened photographs and flattening items that had been rolled up for a half century. Don Hansen of *Dana Wharf Sportfishing & Whale Watching* contributed his thoughts about friends who returned for the Harbor's 50th Anniversary --- the building of which they remembered as boys --- and the lifelong friendships they made as teenagers while working for Don. All of them went on to positive careers related to harbors or law enforcement and returned, many from out-of-state, for the anniversary. Sergio Prince attended, representing Supervisor Lisa Bartlett, and thanked Jonathan, Chris, the Historical Society and everyone who participated and provided many hours of work on the Time Capsule Planning Committee for the enjoyment of so many who attended the event.

Everyone appreciated our speakers and enjoyed the refreshments donated by our Board of Directors. The harbor documentary and time capsule contents were on display in our museum, thanks to *Performance Production Services* and *Orange County Archives*. The time capsule and its contents will be on display in the museum through January 2017.

Our Board of Directors recently met with film producer John Underwood in October and agreed to be a resource for his proposed documentary on California as described in *Two Years Before the Mast* by Richard Henry Dana Jr. Mr. Underwood is applying for a grant through the California Council for the Humanities.

Board directors Joel Bishop and Heidi Hyde planned the November field trip to historic Heritage Square and Grier Musser Museum on Saturday, November 5th. Thirty-eight members and guests enjoyed our annual field trip and the special lunch stop at the newly restored Clifton's Cafeteria in old town Los Angeles.

In this season of giving thanks, we are very grateful to each of you for your time, talent and support. The Historical Society is a 100% volunteer organization and we couldn't preserve and celebrate our history without help from our members who pay dues and who serve as museum docents, DPHS booth volunteers, board members and so much more. Have a Happy Thanksgiving with family and friends and be sure to join us for our Holiday Open House on December 4.

DPHS Annual Meeting and Potluck Dinner Scheduled for Wednesday, January 25

The Society's annual meeting and potluck dinner will be held on **Wednesday, January 25, 2017**, beginning at **6 pm at Community House**, 24642 San Juan Avenue, Dana Point, CA 92629. Volunteers to help set up chairs and tables at 5:30 pm would be greatly appreciated. A reception starts the evening, followed by a potluck dinner at approximately 6:45 pm. Please bring a dish to serve 6-8 people. Beverages will be available, but a donation of wine or beer is always appreciated.

Opening comments and approval of the 2017 slate of incumbent officers and appointed board members will begin at approximately 7:15 pm. Members in good standing will be asked to vote on the Board of Directors' choices to fill board vacancies. Members who wish to nominate individuals or apply for vacant positions should contact Barbara Johannes at least two days prior to the annual membership meeting.

We will also present the 2017 recipient of the **Pat Plepler Award**, which recognizes an individual who emulates the personal attributes of Pat Plepler, who passed away in 2007. Pat was a vibrant citizen and volunteer who closely followed civic activities and participated in events that promoted Dana Point's quality of life.

A Season to Be Thankful for Our Many Volunteers!

We would like to thank our docents for their time in helping to keep the museum open three days a week. In particular, Mary Crowl and Robin Valles both cover weekly and bi-weekly recurring time slots every month. We appreciate their working our organization into their busy schedules!

One of the Society's most time-demanding volunteer work is appearing at functions at our booth to do outreach and sell merchandise. This year we were present at the Festival of Whales, the Doheny Beach Surf Festival and the Ocean Institute's Tall Ships Festival.

Our April reading of *Two Years Before the Mast* also requires a large number of volunteers to coordinate readers, check in people on the days of the event and to monitor the reading.

The June Scholarship Fiesta Dinner demands a great deal of coordination to assess scholarship applications, set up details with our caterer, Jack Saunderson, and to prepare the tables and raffle at Doheny Beach.

We also had a large scale volunteer effort as the leading nonprofit for the 50th anniversary of the time capsule. That event required manning a volunteer booth for admission to the celebratory dinner for over 1,200 people following the time capsule program in August. After that event, the premier night of Jonathan Morgan Jenkins' time capsule documentary was hosted by our Society along with the Ocean Institute and Coffee Importers.

Additionally we have a variety of volunteers who helped with our organization's technology and video production, photography, food preparation, and myriad other small jobs that take a lot of time.

THANK YOU ALL!

Annual Field Trip

Board members Joel Bishop and Heidi Hyde arranged for 38 DPHS members and guests to visit Heritage Square Museum, an area of historic buildings in Los Angeles. Our day also included a visit to the Grier Musser Museum as well as lunch at historic Clifton's Cafeteria in old town Los Angeles.

Above, DPHS members and guests break into smaller groups to visit the various buildings at Heritage Square. Right, the group enjoyed lunch at Clifton's Cafeteria.
